Questionnaire for National Security Positions

Follow instructions fully or we cannot process your form. Be sure to sign and date the certification statement on page 9 and the release on page 10. If you *have any questions*, call the office that **gave you the form**.

Purpose of this Form

The U.S. Government conducts background investigations and reinvestigations to establish that military personnel, applicants for or incumbents in national security positions, either employed by the Government or working for Government contractors, licensees, certificate holders, and grantees, are eligible for a required security clearance. Information from this form is used primarily as the basis for investigation for access to classified information or special nuclear information or material. Complete this form only after a conditional offer of employment has been made for a position requiring a security clearance.

Giving us the information we ask for is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don't give us each item of information we request. This may affect your placement or security clearance prospects.

Authority to Request this Information

Depending upon the purpose of your investigation, the U.S. Government is authorized to ask for this information under Executive Orders 10450, 10865, 12333, and 12356; sections 3301 and 9101 of title 5, U.S. Code; sections 2165 and 2201 of title 42, U.S. Code; sections 781 to 887 of title 50, U.S. Code; and parts 5, 732, and 736 of Title 5, Code of Federal Regulations.

Your Social Security number is needed to keep records accurate, because other people may have the same name and birth date. Executive Order 9397 also asks Federal agencies to use this number to help identify individuals in agency records.

The Investigative Process

Background investigations for national security positions are conducted to develop information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the United States. The information that you provide on this form is confirmed during the investigation. Investigation may extend beyond the time covered by this form when necessary to resolve issues. Your current employer must be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want this.

In addition to the questions on this form, inquiry also is made about a person's adherence to security requirements, honesty and integrity, vulnerability to exploitation or coercion, falsification, misrepresentation, and any other behavior, activities, or associations that tend to show the person is not reliable, trustworthy, or loyal.

Your Personal Interview

Some investigations will include an interview with you as a normal part of the investigative process. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

You will be asked to bring identification with your picture on it, such as a valid State driver's license, to the interview. There are other documents you may be asked to bring to verify your identity **as well. These include documentation of any legal name change, Social Security card, and/or birth certificate.**

You may also be asked to bring documents about information you provided on the form or other matters requiring specific attention. These matters include alien registration, delinquent loans or taxes, bankruptcy, judgments, liens, or other financial obligations, agreements involving child custody or support, alimony or property settlements, arrests, convictions, probation, and/or parole.

Organization of this Form

This form has two parts. Part 1 asks for background information, including where you have lived, gone to school, and worked. Part 2 asks about your activities and such matters as firings from a job, criminal history record, use of illegal drugs, and abuse of alcohol.

In answering all questions on this form, keep in mind that your answers are considered together with the information obtained in the investigation to reach an appropriate adjudication.

Instructions for Completing this Form

1. Follow the instructions given to you by the person who gave you the form and any other clarifying instructions furnished by that person to assist you in completion of the form. Find out how many copies of the form you are to turn in. You must sign and date, in black ink, the original and each copy you submit. You should retain a copy of the completed form for your records.
2. Type or legibly print your answers in black ink (if your form is not legible, it will not be accepted). You may also be asked to submit your form in an approved electronic format.
3. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form (for example, enter "None" or "N/A"). If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by marking "APPROX." or "EST."
4. Any changes that you make to this form after you sign it must be initialed and dated by you. Under certain limited circumstances, agencies may modify the form consistent with your intent.
5. You must use the State codes (abbreviations) listed on the back of this page when you fill out this form. Do **not abbreviate** the names of cities or foreign countries.
6. The 5-digit postal ZIP codes are needed to speed the processing of your investigation. The office that provided the form will assist you in completing the ZIP codes.
7. All telephone numbers must include area codes.
8. All dates provided on this form must be in Month/Day/Year or Month/Year format. Use numbers (1 -12) to indicate months. For example, June 8, 1978, should be shown as 6/8/78.
9. Whenever "City (Country)" is shown in an address block, also provide in that block the name of the country when the address is outside the United States.
10. If you need additional space to list your residences or employments/self-employments/unemployments or education, you should use a continuation sheet, SF 86A. If additional space is needed to answer other items, use a blank piece of paper.
Each blank piece of paper you use must contain your name and Social Security Number at the top of the page.

Final Determination on Your Eligibility

Final determination on your eligibility for access to classified **Information is the** responsibility of the Federal agency that requested your investigation. You may be provided the opportunity personally to explain, refute, or clarify any **information** before a final decision is made.

Penalties for Inaccurate or False Statements

The U.S. Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines of up to \$10,000, and/or 5 years imprisonment, or both. In addition, Federal agencies generally fire, do not grant a security clearance, or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Because the position for which you are being considered is a sensitive one, your trustworthiness is a very important consideration in deciding your eligibility for a security clearance. Your prospects of placement or security clearance **are better if you answer all questions**

truthfully and completely. You will have adequate opportunity to explain any information you give us on the form and to make your comments part of the record.

Disclosure of Information

The information you give us is for the purpose of investigating you for a national security position; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency which requested the investigation and the agency which conducted the investigation have published notices in the Federal Register describing the systems of records in which your records will be maintained. You may obtain copies of the relevant notices from the person who gave you this form. The information on this form, and information we collect during an investigation may be disclosed without your consent as permitted by the Privacy Act (5 USC 552a (b)) and as follows:

SECURITY ACKNOWLEDGEMENT

I, _____, make the following statements with the understanding and intent that my statements will be used by the U.S. Department of Energy (DOE) in meeting its obligation to determine my eligibility for access to Restricted Data, other classified information, and special nuclear material.

1. I understand that it is the policy of the DOE to control access to and dissemination of Restricted Data, other classified information, and special nuclear material.
2. I understand that, in carrying out the aforesaid policy, the DOE has issued and will issue and revise, as circumstances require, certain instructions and regulations pertaining to the access to, and control and dissemination of Restricted Data, other classified information, or special nuclear material.
3. I shall not reveal to any person any Restricted Data or other classified information, of which I gain knowledge as a result of my employment, assignment, or duties, except in accordance with official instructions and regulations of the DOE or except as may be hereafter authorized by officials empowered to grant such authority.
4. I understand that the provisions of the Atomic Energy Act of 1954 prescribe penalties for the disclosure of Restricted Data to unauthorized persons, and the provisions of U.S. Code, Title 18, "Crimes and Criminal Procedures," prescribe penalties for compromise of such information through gross negligence.
5. I understand that willful or gross carelessness in revealing or disclosing to any unauthorized person Restricted Data or other classified matter pertaining to the DOE or any other Government agency may constitute sufficient cause for termination of my association with classified programs.
6. I understand that I am to report to the DOE any proposed travel to a sensitive country. Procedures for reporting such travel are contained in DOE 1500.3, "Foreign Travel Authorization."
7. I understand that my use of alcohol habitually to excess, and/or my involvement with any illegal drug, could result in the loss of my DOE access authorization.
8. I understand that I am to provide to the DOE; within 5 working days, information concerning any legal action to effect a change in my name; and with 45 calendar days, a DOE F 5631.34, "Data Report on Spouse," in accordance with the provisions of Chapter V. 9. I understand that I am to notify the DOE directly within 5 working days of all arrests, charges (including charges that are dismissed), or detentions by Federal, State, or other law enforcement authorities, for any violation of any Federal Law, State law, county or municipal law, regulation or ordinance, other than traffic violations for which a fine of \$250 or less was imposed, occurring during any period in which I may hold DOE access authorization and which occurred subsequent to the completion of the security forms which I executed on:

PRIVACY ACT STATEMENT

Collection of information requested is authorized by the Atomic Energy Act of 1954, as amended. Executive Orders 10450, 10865, and 12356, and U.S. Department of Energy (DOE) 5631.2C. The name of the individual is used as an identifying factor to establish and maintain records of DOE personnel security actions in DOE System Records DOE-42, "Central Personnel Index." This form will become part of the individual's DOE Personnel Security File (PSF), DOE System of Records DOE-43, "Personnel Security Clearance Files." Access to the PSF within the DOE and by other individuals is permitted as stipulated in DOE5631.2C, "Personnel Security Program," and as listed as Routine Users in Appendix B to DOE System of Records DOE-43. Disclosure of the information requested on this form is voluntary; however, if the information is not provided, the request for your DOE access authorization (security clearance) may not be processed. If you possess a DOE access authorization and elect not to complete this form as required for reinvestigation purposes, your DOE access authorization may be administratively terminated. A copy of this form will be provided to you upon verbal or written request.

CLEARANCE CRITERIA STATEMENT

I understand that an initial investigation or reinvestigation will be conducted of me at the request of the DOE, the results of which will be used by the DOE to determine my initial or continuing eligibility for DOE access authorization (security clearance). Further, I understand that the following types of information as listed under Title 10, Code of Federal Regulations, Part 710 (specifically Section 710.8), "Criteria and Procedures for Determining Eligibility for Access to Classified Matter or Special Nuclear Material," may raise a doubt as to my eligibility for DOE access authorization.

- (c) Knowingly held membership in or had a knowing affiliation with, or has knowingly taken action which evidences a sympathetic association with the intent of furthering the aims of, or adhering to, and actively participating in, any foreign or domestic organization, association, movement, group, or combination of persons which advocates or practices the commission of acts of force or violence to prevent others from exercising their rights under the Constitution or Laws of the United States or any state or subdivision thereof by unlawful means.
- (d) Publicly or privately advocated, or participated in the activities of a group organization, which has as its goal, revolution by force or violence to overthrow the Government of the United States by unconstitutional means with the knowledge that will further those goals.
- (e) Parent(s), brother(s), sister(s), spouse, or offspring residing in a nation whose interests may be inimical to the interests of the United States.
- (f) Deliberately misrepresented, falsified, or omitted significant information from a Personal Security Questionnaire, a Questionnaire for Sensitive Positions, a personnel qualifications statement, a personnel security interview, written or oral statements made in response to official inquiry on a matter that is relevant to a determination regarding eligibility for DOE access authorization, or proceedings conducted pursuant to the DOE administrative review process under the provisions of Title 10, Code of Federal Regulations, part 710.
- (g) Failed to protect classified matter, or safeguard special nuclear material; or violated or disregarded security or safeguards regulations to a degree which would be inconsistent with the national security; or disclosed classified information to a person unauthorized to receive such information.

- (j) Been, or is, a user of alcohol habitually to excess, or has been diagnosed by a board-certified psychiatrist, other licensed physician or a licensed clinical psychologist as alcohol dependent or as suffering from alcohol abuse.

TO ALL CLEARANCE APPLICANTS OR CLEARANCE HOLDERS:

Please read carefully, sign on the line provided, and return this form with your completed Questionnaire for Sensitive Positions (QAP) package.

The QAP you are asked to complete is used by the Department of Energy (DOE) and other federal agencies to conduct the necessary background investigation in order to make a fair determination regarding your eligibility for a security clearance. The following information is provided to assist you in the accurate completion of the QSP packet:

- It is extremely important that you read each question and answer each item completely and truthfully. If you are in doubt as to how to respond to a specific question, it is best to respond in the affirmative and provide a detailed explanation. Questions not applicable to you should be answered accordingly by using "N/A." Omissions can cause unnecessary processing time and investigating efforts.
- All substance abuse treatment must be listed. Any use of an illegal drug, including one-time experimental use, within the reporting period must be listed. Past illegal drug and/or excessive alcohol use or treatment is not automatically disqualifying.
- Counseling and/or treatment for any emotional or mental condition should be listed with an explanation of the reason for treatment. Treatment for an emotional or mental condition is not automatically disqualifying.
- All arrests subsequent to your 16th birthday must be listed, even if the charges were dismissed.
- Strict attention should be given to the certification you provide by signing the QSP. It is a violation of criminal laws to falsify information provided on a government document. In addition to criminal sanctions, DOE may take action to deny a request for or revoke an existing security clearance for such a violation.

DOE adjudicates each case based on the facts of that case. Decisions cannot be made on partial or inaccurate information; therefore, you are asked to be totally truthful when completing your QSP packet. There are no automatic disqualifications regarding whether or not an individual obtains or retains a DOE security clearance; however, if you are not honest in completing these forms, you are cautioned that falsification alone may be adequate grounds to seek denial or revocation of a security clearance.

If you are a clearance holder, you will be notified when your clearance has been continued. Please provide your name and office mail stop on the attached form to ensure you receive the notification. If you are a clearance applicant, you may contact your clearance sponsor for status information. Please keep in mind the investigative process may take at least 120 days.

Sincerely,

David M. Fredrickson
Director, Personnel
Security Division

A Summary of Your Rights Under the Fair Credit Reporting Act

The Federal Fair Credit Reporting Act (FCRA) is designed to promote accuracy, fairness and privacy of information in the files of every “consumer reporting agency” (CRA). Most CRAs are credit bureaus that gather and sell information about you—such as if you pay your bills on time or have filed bankruptcy—to creditors, employers, landlords, and other businesses. You can find the complete text of the FCRA, 15 U.S.C. 1681-1681u, at the Federal Trade Commission’s web site (<http://www.ftc.gov>). The FCRA gives you specific rights, as outlined below. You may have additional rights under state law. You may contact a state or local consumer protection agency or a state attorney general to learn those rights.

- **You must be told if information in your file has been used against you.** Anyone who uses information from a CRA to take action against you—such as denying an application for credit, insurance, or employment—must tell you, and give you the name, address, and phone number of the CRA that provided the consumer report.
- **You can find out what is in your file.** At your request, a CRA must give you the information in your file, and a list of everyone who has requested it recently. There is no charge for the report if a person has taken action against you because of information supplied by the CRA, if you request the report within 60 days of receiving notice of the action. You are also entitled to one free report every 12 months upon request if you certify that (1) you are unemployed and plan to seek employment within 60 days, (2) you are on welfare, or (3) your report is inaccurate due to fraud. Otherwise, a CRA may charge you up to \$8.00.
- **You can dispute inaccurate information with the CRA.** If you tell a CRA that your file contains inaccurate information, the CRA must investigate the items (usually within 30 days) by presenting to its information source all relevant evidence you submit, unless your dispute is frivolous. The source must review your evidence and report its findings to the CRA. (The source also must advise national CRAs – to which it has provided the data – of any error.) The CRA must give you a written report of the investigation and a copy of your report if the investigation results in any change. If the CRA’s investigation does not resolve the dispute, you may add a brief statement to your file. The CRA must normally include a summary of your statement in future reports. If an item is deleted or a dispute statement is filed, you may ask that anyone who has recently received your report be notified of the change.
- **Inaccurate information must be corrected or deleted.** A CRA must remove or correct inaccurate or unverified information from its files, usually within 30 days after you dispute it. However, the CRA is not required to remove accurate data from your file unless it is outdated (as described below) or cannot be verified. If your dispute results in any change to your report, the CRA cannot reinsert into your file a disputed item unless the information source verifies its accuracy and completeness. In addition, the CRA must give you a written notice telling you it has reinstated the item. The notice must include the name, address, and phone number of the information source.
- **You can dispute inaccurate items with the source of the information.** If you tell anyone—such as a creditor who reports to a CRA—that you dispute an item, they may not then report the information to a CRA without including a notice of your dispute. In addition, once you have notified the source of the error in writing, it may not continue to report the information if it is, in fact, an error.

- **Outdated information may not be reported.** In most cases, a CRA may not report negative information that is more than 7 years old; 10 years for bankruptcies.
- **Access to your file is limited.** A CRA may provide information about you only to people with need recognized by the FCRA—usually to consider an application with a creditor, insurer, employer, landlord, or other business.
- **Your consent is required for reports that are provided to employers, or reports that contain medical information.** A CRA may not give out information about you to your employer, or perspective employer, without your written consent. A CRA may not report medical information about you to creditors, insurers, or employers without your permission.
- **You may choose to exclude your name from CRA lists for unsolicited credit and insurance offers.** Creditors and insurers may use file information as the basis for sending your unsolicited offers of credit or insurance. Such offers must include a toll-free phone number for you to call if you want your name and address removed from future lists. If you call, you must be kept off the lists for 2 years. If you request, complete, and return the CRA form provided for this purpose, you must be taken off the lists indefinitely.
- **You may seek damages from violators.** If a CRA, a user of (in some cases) a provider of CRA data, violates the FCRA, you may sue them in State or Federal court.

The FCRA gives several different Federal agencies authority to enforce the FCRA:
